700555 Iasi IS
ROMANIA

Dear Mr. Filip:

It is my pleasure to inform you that you have been selected to receive funding in the Thunderbird Entering Student Merit program. You are to be congratulated on the fine credentials that you have accumulated heretofore in your professional and personal life. Attributes that you will bring to this program and community will expand and enhance the global "learning laboratory" that is Thunderbird. Your background and experiences demonstrate excellence of performance and character in all ways possible. This school is pleased to have the opportunity of investing in your future.

This offer is specific to your term of entrance as stated in your application; it will not be repeated if you must defer entry to a future term. The level of the award was determined by an evaluation of the credentials you presented in your application and in a comparative review of the credentials of all people who were offered admission to Thunderbird.

The details of your award are specified on the enclosed information page. You will also find an official award acceptance form that must be completed and returned to the Office of Admissions by the date specified. **Failure to communicate to the Office of Admissions by this date will result in the cancellation of the award.** This procedure must be followed to insure that all available funds are positioned for best use and maximum assignment to qualified and deserving students.

Again, I offer my congratulations. I speak on behalf of Thunderbird in saying that we are looking forward to welcoming you to the campus and community.

Cordially,

Judy Johnson
Dean of Admissions/Financial Aid
Associate Vice President
