Vasile Filip
Sos. Nationala, nr, 52
Iasi , 700607
ROMANIA

Dear Mr. Filip:

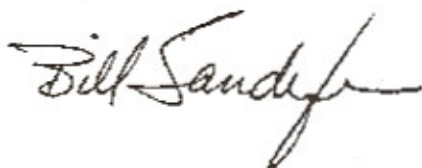

Congratulations! I am happy to extend an invitation for you to join a unique family - the Freeman family. As you know, Freeman has a world-class program designed to encourage professional growth and academic excellence. I am confident you will contribute your experience and enthusiasm to the school as well. In preparation for the MBA program, a condition of your admission is attending the Management Communications course at the Freeman School starting in mid-July. Information on the course can be found on the admitted student web site referred to below.

To further the excitement, you have been named an International Fellow. Your fellowship covers 100% of the tuition and university fee toward your MBA studies at Tulane. The school has faith in your ability to excel at Freeman and to be an asset to the program.

Please complete the [online enrollment form](#) by 5/20/2005 . A non-refundable deposit of \$800 is required to reserve your space. The deposit will be credited to your student account after fall registration. Important information to assist you in your transition to Tulane can be found on our admitted student web site at <http://www.freeman.tulane.edu/admitted>.

If you have any questions, please contact me at Bill.Sandefer@tulane.edu or Lorraine Landry, MBA Admissions Counselor, at lslandry@tulane.edu. I look forward to welcoming you to Freeman.

Sincerely,

Bill D. Sandefer
Director of Admissions
